Calling Service.	)	OUT-OF-TIME

This matter is before the Public Service Commission of South Carolina (the Commission) on AT&T Communications of the Southern States, Inc.'s (AT&T's) Petition to Intervene Out-of-Time. AT&T asserts that the service offered by Home Telephone Company (Home) in this tariff filing is competitive with its own service offerings. AT&T further asserts that the results of this filing may affect its interests concerning access charges and service offerings. Consequently, AT&T petitioned the Commission for permission to intervene out-of-time.

After review of the Petition the Commission finds that AT&T should be and is hereby granted permission to intervene out-of-time.

IT IS SO ORDERED.
